Arrival time - Please arrive from (Not Before) 6.45pm on the 1<sup>st</sup> August this will enable us to get the horses / ponies sorted before the residential children have supper. Departure will be by 5pm on Saturday the 4<sup>th</sup> August.

During camp children will be divided into Troops, this is a great way to get to know each other and for the troop leaders and older members to help the younger ones. Troops will be judged on their individual stables and tack and turnout and scored each morning. This year the stables will be marked and reasons given each day as to where points have been dropped to allow you to improve. Please note cabins are to be kept tidy and rubbish free but will not be inspected.

We will need help with most rides during the morning and afternoon sessions (each ride on XC course require an additional adult in case of emergency). Please note that due to costs we are unable to provide food or drinks for helpers, so please bring what you require with you. As with all Pony club events camp is run by parents, most who have their own children, work and commitments so please give as much help as possible by indicating on the form when you are able to help, a parent rota will be drawn up and you will be advised when you are required. All parents are expected to help on the final day of camp with general tidying up and cleaning stables, yards, tack rooms, cabins etc. Please before leaving all stables MUST be inspected before you are able to leave.

If you have any questions or concerns about the camp, please don't hesitate to contact us we will do our best to help. If your child is worried about staying over in the cabins and would prefer to go home in the evenings that is fine we just need to know.

To book your place please can you send your booking form along with the non refundable deposit of £50 payable to the Tiverton Hunt Pony Club by the 12<sup>th</sup> May. Remainder is payable by the 1<sup>st</sup> July 2018.
